PALDECK®
ADVANCED PVC DECKING

Shoreline Series

Engineered for high performance, looks and value

Paldeck® Shoreline Series combines strength, durability and affordability in an ultra-low maintenance surface.

Shoreline's elegant, neutral colors install easily and blend seamlessly for a contemporary, clean, functional environment that looks great and stands up to almost anything.

- ▶ Soft, natural colors with a rich wood grain
- ▶ Fused Polymer PVC Cap-layer for lasting beauty and durability

Shoreline Series | Pebblestone

- ▶ 25-Year Stain Warranty*
- ▶ Limited Lifetime Performance Warranty for Residential + 2-Years Labor; 10-Years Commercial Warranty + 2-Years Labor*

NOTE: Shoreline achieves a natural, consistent weathered appearance.

Available in 12', 16' and 20' lengths with grooved edges and 20' lengths with square edges.

Actual products may differ slightly from photos shown due to minor color variances.

All Paldeck products are made from a 100% C3 PVC™ core, so it will never rot or decay due to weather or insects. Cleaning is easy with basic soap and water.

Soft to the touch and splinter-free, it provides superior scratch, stain and mold resistance.

COOL COLOR TECHNOLOGY™ Our proprietary encapsulation technologies provide a finish that is inviting, soft to the touch and slip-

resistant. It won't splinter like wood and is more durable than composites. Cool Color Technology using proprietary pigments reduces heat build-up, keeping the surface cooler under the sun.
