Woodland Series | Auburn trail

All Paldeck products are made from a 100% C3 PVC™ core, so it will never rot or decay due to weather or insects. Cleaning is easy with basic soap and water.

It's comfortable to walk on, splinter-free, impervious to pests, mold and mildew.

Our proprietary encapsulation technologies provide a finish that is inviting, soft to the touch and slip-resistant. It won't splinter like wood and is more durable than composites. Cool

Color Technology using proprietary pigments reduces heat build-up, keeping the surface cooler under the sun.

Paldeck
Woodland

Series utilizes our proprietary Encapsa Technology, a fused cap-layer surrounding the entire C3 PVC core, for maximum color stability, surface integrity, scratch and stain resistance.
